

RESTORE & PROTECT YOUR POOL PAVERS

Create a Great First Impression with Long Lasting Protection

We'll come out for a "Free Test Clean" to determine if your pavers can be restored.

If your pavers are new or in excellent condition, let's talk about protecting them.

REMOVE SUNSCREEN DISCOLORATION FROM SPRAYS & LOTIONS

Our proprietary process includes:

- ◆ Removal of Sunscreen Discoloration
- ◆ Removal of Dirt, Mildew, Salts, and Chemical Overspray
- ◆ Penetrating Sealer application for UV Protection and Water Repellency
- ◆ 3 year Manufacturer's warranty on sealer

Awnclean's process will restore and protect your pavers to help extend their cleanliness and beauty. Our commercial grade products are Disney-approved and were applied by Awnclean to the pavers of the entire entertainment complex at Downtown Disney.
