

Higher expectations for maintenance, repair, and modernization for elevators and escalators

WHERE AND WHEN YOU NEED US

With 14 locations and growing across the U.S., Urban Elevator is there for you with consistent, high-quality service, specializing in solutions that feature the latest technology for every type of building. When it comes to maintenance, repair, or modernization, our professionally trained elevator specialists offer you the benefits of local, prompt, quality service every time you call.

How we rise above:

- We install only nonproprietary components that are manufactured in the U.S.
- We welcome upgrades with unique specifications.
- We have one of the lowest cancellation rates in the industry.
- We modernize outdated escalators.
