Slippery Tile Floors, Bathtubs & Showers?

We have a fast and affordable solution

We bond our proprietary granular non-slip texture onto your existing bathroom surfaces to create a safer bathing environment. This includes:

- Tile Floors
- Bathtubs
- Showers

The amount of texture can be adjusted to meet your specific needs.

COMMERCIAL SERVICES

We offer these optional upgrades for commercial projects

When
LOW ODOR
is a top priority

Low Odor and Water-Based Refinishing

- Complete low odor / low VOC refinishing systems
- Ideal for hospitals, schools, senior communities and office buildings

When
**FIGHTING
BACTERIA**
is a top priority

Silver Ion Antimicrobial Coatings

- Reduces odors
- Inhibits the growth of bacteria
- Durable, non-yellowing, UV stable

Our coatings with silver ion technology can offer an added layer of protection and cleanliness to refinished surfaces. Recommended for community bathrooms, fitness centers, and patient rooms.

When
**BATHING
SAFETY**
is a top priority

Slip Resistant Surface

- For bathtubs, showers & tile floors
- Bonded to existing surfaces
- Same day return to service

Reduce slip-and-fall liability in your facility. Our slip resistant surface helps create a safer environment in your bathrooms and high traffic areas. We can adjust the amount of texture based on your specific needs.

Why Miracle Method?

We're North America's largest surface refinishing company

Since 1979, Miracle Method has helped well over 1,250,000 homeowners and businesses update their existing bathtubs, countertops, showers, and tile floors to like-new condition, without the mess of remodeling.

Miracle Method's certified technicians travel to hotels, hospitals, schools and other facilities to do the work on-site. The time and cost savings of our unique surface refinishing process are ideal for commercial facilities.

- Superior refinishing technology
- Trained, insured technicians
- Unmatched experience

- Over 1.25 MM customers
- 150+ locations nationwide
- Unmatched capacity

No other contractor provides the same refinishing process as Miracle Method
